

C. Speaker Ideas for 2009-10

Are there any speakers/topics that you would like for our monthly meetings in the future?

1. Speakers?

2. Plant / Flower / Tree Topics?

3. Vegetable Garden Topics?

4. Other topics?

D. Field Trips:

We recently have been experiencing a large sign up for some activities / field trips but on the actual date, few people show up. Next year we plan to organize 3-4 field trips instead of monthly ones. The first field trip will be in September **Mike Darcy's garden** then in February we'll head to the **Yard, Garden, and Patio Show**, a **Nursery Crawl** in the Spring and sometime next year a trip to the **Oregon Garden**.

****We need a new field trip chair. Since the trips are planned, all you have to do is coordinate them? Will you help????**
