Welcome new and returning Garden Club members!

I hope that all of you have been enjoying these beautiful summer months, and have had time to work and relax in your gardens! Our club has had an incredible past year, in no small part due to the hard work and dedication of our wonderful volunteers. I would like to extend a huge amount of appreciation and recognition to everyone who helped out with this year's Garden Club Tour and Faire, with an especially large thank you to **Ruth Corsi, Mike Stewart, Ann Widen, and Janis Stoven** for spearheading this event. They have done a truly amazing job, and our proceeds this year have been the highest in our club's known history, so be sure to give them a big congratulation next time you see them!! That said, we look forward to another wonderful year in our club, and have many exciting speakers and events lined up for our membership. WANTED!!!!!! Writers for the newsletter are desperately being sought. Doesn't take much time but contributions are very appreciated! Articles on plants, people, news, tips, upcoming events, etc. Patty can't do this alone.

OR do we want to discontinue the newsletter? Let's make a decision soon as a club. I've been asking for articles for years and setting deadlines but continue to struggle to get support. **My 16 years of being Newsletter Editor will end in 2020 without content to publish consistently created by our members.**
