Message from our President:

This will be the last President's message I share with you. It has been an honor to serve as your president for the past two years. I have really enjoyed working with all the amazing and wonderful members of the McMinnville Garden Club and getting to know you better.

Initially, I hoped to find a new beautification project for the club. Unfortunately, the past year involved way too much time worrying about where we would meet, seating arrangements and providing coffee.

I know the club will be in good hands. The incoming board is hard-working with lots of great ideas. I'm looking forward to their leadership and where they will take us.

Family Planting Day at the Community Garden, June 9

Please join Doris in the Children's Garden on Saturday, June 9th from 10:45am – 1:30pm at the Community Garden. Volunteers are needed to set up and staff three tables – refreshments, planting, and activities for families with children. Wear your aprons. Mentors are needed, along with clean up help. Donations are also needed to help fill 15 goodie bags. Contact Doris Crain lafamiglia711@comcast.net

Message from Tour Chair, *Marlene Petersen*

Our annual garden tour and faire is all about our future as a garden club. Once a year we request all members volunteer their time. Several vacancies remain. Be a garden hostess or greeter, help with the vendors downtown at the faire. Show support by purchasing tour tickets to give away or sell. Our success depends on you the member! I am reminded each day just how wonderful and giving you all are. Give what you can; do what you are able.

A big thank you to members who bought tickets at the May meeting. And a reminder to members who haven't to buy at the June meeting. This is our only fundraiser, so let's make it a success by each of us doing our part! Contact Jean Lierman for tickets.
